

*Solutions Beyond Expectations*

Established in 2018, Noor Al Masafi (NAM) has expanded its portfolio to include the supply of high-quality Personal Protective Equipment (PPE) kits, supporting safety and compliance across a widerangeofindustries. With a strong commitment to quality, reliability, and timely delivery, NAM has become a trusted partner for organizations operating in demanding and high-risk environments.

Our PPE kits are designed to meet international safety standards and are suitable for health-care, industrial, construction, marine, offshore, oil & gas, hospitality, and corporate sectors. Each kit can be customized to suit specific operational requirements and may include protective coveralls, safety gloves, masks, face shields, goggles, helmets, safety footwear, and hygiene products.

Backed by approved sourcing, strict quality control, and efficient logistics, NAM ensures every PPE kit delivers durability, comfort, and dependable protection—even in harsh marine and offshore conditions. Our solutions help organizations maintain safe working environments while meeting regulatory and operational compliance with confidence.
